THIS AGREEMENT is entered into by and between the above-listed fire department (the Fire Department), and the State of Wisconsin Department of Natural Resources (DNR), for the suppression of forest fires within each party's respective jurisdiction in DNR Protection Area and/or on land owned by the DNR (DNR Land) in Cooperative Area.

WHEREAS, s. 26.11, Wis. Stats., vests the DNR with the power, authority, and jurisdiction in all matters relating to prevention, detection, and suppression of forest fires outside the limits of incorporated villages and cities and s. 23.09(4), Wis. Stats., and s. NR 1.23, Wis. Adm. Code, authorize the DNR to render assistance in case of emergencies.

WHEREAS, the DNR and the Fire Department pursuant to ss. 23.09(1)(2), 23.11 and 26.11(4), Wis. Stats., desire to cooperate in the suppression of fires; it is agreed by and between the DNR and the Fire Department as follows:

1. DEFINITIONS

- a. "Cooperative Area" means the areas of the State outside the DNR Protection Areas where Fire Departments have primary forest fire initial attack responsibilities.
- b. "DNR Protection Area" are the areas of the state defined by ss. NR 30.01 and NR 30.02, Wis. Adm. Code, as intensive or extensive.
- c. "Extended Attack" occurs when resources beyond those designated for initial attack must be dispatched to an incident or when extensive mop-up is required. This is generally when suppression efforts exceed one hour.
- d. "Forest Fire" means an uncontrolled, wild or running fire occurring on a forest, marsh, field, cutover or other lands or involving farm, city, or village property and improvements incidental to the uncontrolled, wild or running fire occurring on forest, marsh, field, cutover or other lands (as defined in s. 26.01(2), Wis. Stats.).
- e. "Incident Command System" means a set of personnel, policies, procedures, facilities, and equipment, integrated into a common organizational structure designed to improve emergency response operations of all types and complexities. ICS is a subcomponent of the National Incident Management System (NIMS), as released by the U.S. Department of Homeland Security in 2004.
- f. "Initial Attack" is defined as the first hour when suppression efforts are needed.
- g. "Non-reportable Fires" include incidents involving:
 - i. Burning activity that does not spread from predetermined limits
 - ii. Fires that cannot be located
 - iii. False alarms
 - iv. Structural fires
 - v. Vehicular or equipment fires
- h. "Project fire" means and extended attack forest fire requiring state-wide resource deployment by the DNR
- i. "Reportable Fires" are all fires not listed in Section. 1.g.
- j. "Suppression" means the action of the responding agency(ies) beginning with initial attack and continuing through control of the forest fire, mop-up, and until the forest fire is out.
- k. "Unified Command" means a system of command that enables institutions and agencies with different legal, geographic, and functional responsibilities to coordinate, plan, and interact effectively
- l. "ATV" (all-terrain vehicle) and "UTV" (utility terrain vehicle) include equipment that is a manufactured motor driven device capable of off-road use. These vehicles cannot meet the federal motor vehicle safety standards.

2. RESPECTIVE RESPONSIBILITIES

- a. The DNR is responsible for the suppression of all forest fires and protection and suppression of any improvements threatened by forest fires as defined previously in s. 26.11, Wis. Stats.
- b. DNR may assist the Fire Department when resources are available, as authorized by s. NR 1.23, Wis. Adm. Code and s. 26.11(1), Wis. Stats.
- c. Within DNR Protection Areas, the DNR may request the assistance of the Fire Departments to provide forest fire suppression, as well as structural protection.
- d. Outside of DNR Protection Areas, in the Cooperative Areas, the Fire Departments may request the assistance of the DNR to provide additional resources and support in forest fire suppression and Fire Departments have been delegated the authority on DNR-owned lands for fire suppression actions by virtue of this Agreement.
- e. Structural and vehicular fires are the responsibility of the Fire Department, but the Fire Department may request DNR equipment and personnel to assist with the structural and vehicular fire or when there is danger of a forest fire being caused by the structural or vehicular fire.

3. REPORTING FIRES

- a. The Fire Department agrees to make every effort to immediately notify the DNR of forest fires, or fires which may become forest fires that are burning or threatening DNR protection areas or DNR Lands. If immediate notification cannot be made, the Fire Department shall report the location of the fires, and the action taken, to the DNR as soon as possible, but no later than 24 hours from its knowledge of the forest fires.
- b. If the Fire Department is unable to contact the DNR, it shall take immediate, independent action to effectively suppress the forest fire.
- c. If it is uncertain whether a reported forest fire is within a DNR protection area or on DNR land due to the fire's proximity to the boundary line, the Fire Department or DNR shall notify the other party. If the Fire Department or DNR is unable to contact the other party, it shall take immediate, independent action to effectively suppress the forest fire, as soon as practicable. Thereafter, it shall notify the other party and report the location of the fire and the action that was taken.
- d. The DNR agrees to notify the Fire Department through County Dispatch if they become aware of a structure or vehicular fire within the Fire Department's jurisdiction.

4. COMMAND AT FIRES

The Incident Command System will be used at all forest fires. When the Fire Department is the first to arrive at the scene of a forest fire within a DNR protection area or on DNR land, the Fire Department shall establish incident command and begin initial attack. Command of the incident may be transferred to a qualified DNR incident commander upon arrival. A Unified Command structure is encouraged when deemed appropriate. If DNR does not arrive on scene, or is called to another incident, the Fire Department shall maintain command of the forest fire until out.

5. OUTSIDE ASSISTANCE

A DNR designated employee shall be consulted when in attendance by the chief officer of the Fire Department before calling in additional crews and equipment or outside fire departments for forest fires originating and occurring in DNR protection areas or on DNR lands. The incident commander is responsible for releasing the additional crews or equipment as soon as possible.

6. EQUIPMENT AND PERSONNEL REQUIREMENTS

- a. The DNR and the Fire Department agree to have available and utilize firefighting units suitable for suppressing forest fires. Responding units should be equipped with forest fire fighting hand tools and equipment. All responding units shall be equipped with a radio that contains a common frequency with the local DNR fire units, such as "Fire-ground Blue."
- b. It is recommended that Fire Departments respond to forest fires with firefighters that have successfully completed **INTRODUCTION TO WILDLAND FIRE SUPPRESSION FOR WI FIRE DEPARTMENTS** in accordance with NFPA 1051 standards, which is an 8-hour course taught by DNR personnel and available to all Fire Departments.
- c. Firefighters shall wear protective clothing on all forest fires. It is recommended that protective clothing meets the 1977 NFPA standard on protective clothing and equipment for forest fire fighting including, as a minimum, Nomex shirts, pants or coveralls, boots, hardhat or helmet, and leather gloves. Use of web belts and fire shelters are also recommended for additional protection. Structural turnout gear should be available on each unit for every firefighter in the event there is a structural fire.

7. FIRE SUPPRESSION SERVICES AND COMPENSATION

- a. The Fire Department agrees to provide suppression services on forest fires, if its resources are available, whenever it is requested to respond by DNR or through established dispatch procedures. The DNR agrees to provide suppression services on forest fires, when resources are available, if requested by the Fire Department or through established dispatch procedures.
- b. In DNR Protection Areas, Fire Department suppression services compensation applies to all forest fires occurring outside the limits of incorporated villages and cities.
- c. In Cooperative Areas, Fire Department suppression services compensation applies **only** to forest fires originating on DNR owned lands.
- d. On all State lands and lands under DNR management, Fire Department compensation applies only when invited to assist with prescribed burning on DNR managed lands.

8. COMPENSATION

The Fire Department must choose one compensation option from each of the following response categories below. **Choose an option (for both a. initial attack and b. extended attack) and check the selected option box.**

NOTE: The person(s) responsible for causing the forest fire may be billed by DNR for all suppression costs, including those incurred by the Fire Department, that are billed to DNR:

a. INITIAL ATTACK:

Compensation for providing **initial attack** forest fire suppression, (including building protection) on forest fires within the Fire Department's area of jurisdiction. Initial attack is defined as the first hour of forest fire suppression services (**choose option 1 or 2**).

Option 1. No payment for providing forest fire suppression on all initial attack forest fires.

Option 2. Receive payment for providing forest fire suppression on all initial attack forest fires.

b. EXTENDED ATTACK:

Compensation for providing **extended attack** forest fire suppression, (including building protection) on forest fires either in or outside the Fire Department's own area of jurisdiction. Extended attack is defined as forest fire suppression on an incident where services exceed one hour (**choose option 1 or 2**).

Option 1. No payment for providing forest fire suppression on all extended attack forest fires.

Option 2. Receive payment for providing forest fire suppression on all extended attack forest fires.

9. PRESCRIBED BURNING

Would your fire department wish to be invited to participate in prescribed burning on DNR managed lands? (**choose option 1 or 2**).

Option 1. No, our fire department does not wish to be invited to participate in prescribed burning activities on DNR managed lands.

Option 2. Yes, our fire department would like to receive invitations to participate in prescribed burning activities on State managed lands. (**Choose one payment option below**):

No payment for participating in prescribed burns on DNR managed lands.

Receive payment for participation in prescribed burning activities on DNR managed lands. Payment includes all firefighter hours and one payment hour per day for each piece of equipment requested and used.

10. BILLING PROCEDURE

- a. The Fire Department, township, or governing body agrees not to directly bill any landowner, responsible party, or governmental body for forest fire suppression service costs paid by the DNR for services consistent with this Agreement.
- b. If the Fire Department bills the DNR for fire suppression costs: (a) the bill shall be prepared on the appropriate form, and (b) the bill shall be presented no later than 14 days following the date on which the fire suppression was completed. Failure to meet this deadline may jeopardize the payment of the bill.
- c. If the Fire Department submits a bill for services rendered in suppressing a forest fire, it shall be paid by the DNR subject to the following limitations.

**Fire Department / DNR Memorandum
of Understanding for Mutual Aid and
Fire Suppression Services**

Form 4300-061 (R 01/22)

Page 4 of 5

- i. No payment will be made by DNR for runs on or associated with non-reportable fires. Examples include, but are not limited to:
 - Burning activity covered by a legal burning permit.
 - Burning activity not covered by a legal burning permit, but has not escaped control.
 - Cannot be located.
 - False alarms.
 - Structural fires.
 - Vehicle fires.
 - Cooking or warming fires.
- ii. No payment will be made by DNR for forest fire suppression actions where the Fire Department provides no suppression services.

11. RECOMMENDED STAFFING

- a. The recommended staffing and equipment for initial attack forest fire suppression operations is as follows:
 - (i) 1 4x4 brush rig (ICS Type 5-7 Engine).
 - (ii) 1 engine (or a tender (tanker) with pumping capabilities, ICS Type 1-4 Engines).
 - (iii) 6 forest fire trained firefighters.
- b. During periods of very high or extreme fire danger, more personnel and equipment than listed above may be required for the initial response.
- c. Should the Fire Department respond with more than the recommended or requested dispatch, only that equipment and personnel needed and actually used for suppression will be compensated at the predetermined rate. Compensation for additional equipment and personnel may not be made to the Fire Department unless the DNR agrees it was reasonably necessary for suppression.

12. STAFFING FOR STRUCTURAL PROTECTION

Staffing and equipment dispatched for structural protection on project fires is Fire Department specific.

13. PAYMENT

- a. **SCHEDULE** - Payment for engines and personnel used in forest fire suppression or prescribed burning shall be made according to the following schedule:
 - (i) Engines that pumped for active forest fire suppression or prescribed burning **\$100/hour for suppression and per day for prescribed burning.**
 - (ii) ATVs, UTVs and similar equipment that pumped for active forest fire suppression or prescribed burning **\$50/hour for suppression and per day for prescribed burning.**
 - (iii) Fire Department personnel that provide suppression assistance on the forest fire or prescribed burning **\$15.00/hour.**
- b. **CALCULATION OF PAYMENT** - Following the first hour of suppression service, bills submitted shall be calculated to the nearest ½ hour. Service begins when the engine leaves its station and continues until it returns to its station when suppression action was taken by the Fire Department.
- c. **INCREASE IN PAYMENT** - After consultation with the Fire Department Advisory Council, the Department, in its discretion, may increase the hourly pay rate for Fire Department equipment and personnel for fire suppression and prescribed burning activities identified under section 13.a. at any time while this agreement is in effect. A decision by the Department to increase the pay rate, including the date by which the new pay rate will become effective, will be communicated to the Fire Department via email correspondence or letter. The latest pay rates may also be accessed on the Department website at the webpage address "dnr.wisconsin.gov" and enter key word search "FFP".

14. LIABILITY

The Fire Department, its employees, agents, and members, shall not be deemed employees or agents of the DNR for any purpose, including worker's compensation. Worker's compensation coverage for the employees, agents, and members of the Fire Department shall be provided by the Fire Department in accordance with s. 102.07(7), Wis. Stats. In addition, the DNR shall not be liable for any damage to, or destruction of, vehicles or suppression equipment beyond that liability established in ss. 893.82 or 895.46, Wis. Stats., or as otherwise established by the State Claims Board and approved in accordance with statutes.

15. COORDINATION

- a. A written outline of routine communication procedures, notification procedures, together with maps and rosters of on-call personnel, should be jointly prepared by and between the Fire Department and the DNR.
- b. A current contact list of the names, addresses, and telephone numbers of the DNR's Forestry personnel for the

area described in the Agreement shall be developed.

16. TERMINATION

This Agreement shall be binding upon the parties hereto until six months following written notice of termination by either party. Either party reserves the right to cancel this Agreement, in whole or in part, without penalty. The DNR reserves the right to cancel this Agreement, in whole or in part, without penalty, due to non-appropriation of funds or failure of the Fire Department to comply with the terms, conditions, or specifications described herein.

17. NONDISCRIMINATION

The Fire Department agrees not to discriminate against any employee or applicant for employment because of age, race, religion, color, handicap, sex, physical condition, developmental disability, as described in s. 51.01(5), Wis. Stats., sexual orientation or national origin. This provision shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Fire Department agrees to post in conspicuous places, availability for employees and applications for employment, notices to be provided by the contracting officer setting forth the provisions of the nondiscrimination clause.

18. ASSIGNMENT

This Agreement may not be assigned or subcontracted, in part or in whole, without written approval from the DNR and may only be changed or amended in writing.

19. PARTIES

- a. In this Agreement, the DNR and the Fire Department includes its successors, their respective officers, employees, agents, directors, subcontractors, assignees, partners, and representatives.
- b. This Agreement and its referenced parts and attachments, shall constitute the entire Agreement and previous Agreements, whether written or oral, are hereby superseded.

20. AMENDMENT

Any revisions must be made by an amendment to this Agreement or other written documentation, and signed by both parties. This Agreement shall commence upon its signing by both parties and continue until termination under paragraph 16.

21. AUTHORIZATION

Each person signing this agreement, personally warrants and represents that he or she is authorized by his or her principal to bind the party for whom he or she is signing.

Hi Alexandria,

Attached is an addendum that allows you the option to do an IMU in 2024 or 2025 (whichever you choose at a later date at no additional cost), Mark just wanted to get you something to sign while it was fresh in your mind if that's what the Town wanted to do.

Thank you,

Dear Don and Jesse,

I would like to volunteer to join the Town's Economic Development Committee. While I would not bring a degree in business development or experience as a business owner to the committee I would be bringing a desire to participate in the community and help the island flourish in a sustainable way. Due to the luxury of working only part of the year I would be able to devote time to tasks levied by the committee such as research of ideas, solutions, outreach, grant writing, etc. That said, there would be times, approximately three months out of the year, when I would have to participate in monthly meetings electronically.

Thank you for your consideration and service to the town.
Regards,
John Jessen

**AIRPORT OPERATIONS
& LAND USE SEMINAR**
Wisconsin Bureau of Aeronautics
Wisconsin Rapids, WI

Register for the 2023 Wisconsin Airport Operations & Land Use Seminar today!

For the first time since 2019, the Wisconsin Department of Transportation Bureau of Aeronautics (BOA) will hold a two-day Airport Operations & Land Use Seminar designed to help anyone responsible for managing or developing our state's airports. This is a unique opportunity to interact with BOA staff, FAA officials, airport consultants, and other airport managers all in one place. As always, we aim to provide airport professionals with the information and tools needed to take on the day's challenges. Much of this year's agenda will focus on the fundamentals of airport operations, planning, and development. With a three year gap in seminars, BOA is excited to introduce our new staff members and for the chance to meet many of the new airport managers throughout the state. For more information please see the attached informational flyer. An agenda will be made available in the next few weeks.

The 2023 seminar will take place Wednesday, April 12th, and Thursday, April 13th at the Hotel Mead in Wisconsin Rapids.

Reserve your hotel room by Saturday, March 11th to guarantee availability and the discounted rate.

Seminar registration can be completed online by clicking the button below or by completing the attached mail-in registration form. We recommend using the online registration, if possible.

The deadline to register for the seminar is Monday, April 10th.

Hope to see you there!
