

Vision Statement Options

The vision statement should be a general characterization of where the town will be over the 20-year planning period and how it will get there. It is meant to be high-level and guides the goals and objectives of the plan.

- The town of Washington envisions a community rooted in the local landscape and built on mutual respect for the natural environment, opportunities for all members of the community, and sufficient provision of services and amenities.
- The town of Washington prioritizes a sense of community and place by maintaining necessary infrastructure and services, preserving nature and open space, and carefully considering growth and external influence.
